WHAT'S NEW IN 5.4

Asian VCS through 2004. Plus Drivability and Transmission Troubleshooter through 2003.
Now for MODIS™, SOLUS™ and Scanner™.

If you go by generic OBD-II codes when servicing vehicles, you're not getting the whole story. So get Bundle 5.4 from Snap-on. It's packed with vehicle-specific diagnostics for every major make and model. There's even expanded coverage for Domestic and European Imports. Step onto your Snap-on dealer's truck and have Bundle 5.4 loaded onto your SOLUS, MODIS, or SCANNER diagnostic platform. You'll be doing yourself — and your customers — a real service.
