Description

**Mercedes-Benz 1992 Model W124 500E/E500 Sport Sedan**

**92000 Kilometers-57K miles Since New**  
**“Individual” car Special order from Germany**  
**No accidents, No rust**  
**Two owners since new, Books and records**  
**Heated Seats**  
**“RARE” On-Board Computer!**

**VIN# WDB1240361B611200**

**Please be patient until all pictures download.**

***Intro about this model:** This is the legendary world wide proven W124 Chassis including safety, durable, reliable, stylish design, proven through the years drive train. But this is W124 500E is a little different!.. Back in 1984 the “Sport Sedan” era was born with BMW E28 M5... The answer on the competition Mercedes Benz made their first sport sedan build by AMG named “Hummer 6.0” back in 1988. But due to its galactic budget/cost never become popular car. In 1990 Mercedes-Benz did there second W124*

*but this time all new Program with Porsche collaboration helped to develop the super sedan to compete the legendary second generation bmw "E34 M5 3.8l". They re-design the chassis including wide body flaring all 4 fenders, brakes are upgrade with bigger 300mm and 4 pistons calipers, reinforced chassis, stiffer suspension including springs and bilstein sport shocks, improved interior quality and seats. The engine on this car is the Legendary M119 Dohc V8 326hp with single Vanos on the intake. The result is 0-62mph for only 6.0 sec. 'Note' Back in Europe we call this model Autobahn king!*

## **Car Description**

**Exterior:** Dimond Schartz MB paint is absolutely in show condition, the paint has deep clear coat and shines like brand new. There are no parking dents, scratches or any tip of damages, or any in perfections. Bumpers are free of scratches and the chrome moldings are in perfect condition. Head lights are chips free as well the rear tail lenses, Doors open and close perfect, Sunroof operates both ways as it should, Front windshield is cracks and chip free, Bumper fog lights are brand new with new bulb all rubbers are in excellent condition, Turn signals are scratch free. Wheels are the legendary AMG wheel "Monolock II" matching the year era model. Wheel condition is absolute curb rash free and damage free and the polished lip with Silver paint center combination is matching the exterior.

**Interior:** The Mercedes Black Genuine Leather is in perfect condition. (Note: I have noticed this leather is a lot thicker and buffed than the regular W124 E-Class -- remember its MB top model and everything comes top quality). Dash board is cracks free, the center console wood is in very good condition as well the rest. AC blows cold and working perfect. The very special onboard computer that is located in the cluster is in perfect working order, also the push button commander that controls the onboard computer is working as it should. (Note: this option was never available for USA models 500E) The automatic rear sunshade is closing up and down with no issues.

**Mechanical:** The Legendary, successful and famous engine (MB-Code M119) used for over 10year in different models is working absolutely with no issues. All the power is there as you would expect from 5.0 V8. There are no expenses spared in order to keep this engine healthy. All the hoses are new, Thermostat, Water Radiator, spark plugs, ignition wires, valve cover gaskets. Also the rear "Self Leveling Suspension" is in perfect working order with new oil New rear suspension control arms stay, control arms strut, trust arms, subframe . New fan clutch. New Wire harness upper and lower. Mercedes Benz Coolant. Rear linkages. New distributor cap and rotors, New power steering pump, New Crankshaft seal front and rear.

**Upgrades:** Few tasteful upgrades are made: New Adjustable Koni Yellow sport Shocks, H@R Springs, All 4 Hi-performance double drilled and slotted rotors with high performance brake pads. Transmission is reprogrammed to start every time off the line from first gear and it operates very sensitive and down shifts without lock moment the result is impressive, Rear Differential is Torsen Limited Slip 2.47-LSD. ASR system off. Exhhaust is all custom from the headers to the brand new Remus muffler. The wheel/tires size are: Front 19x8.5 Rear 19x9.5. Tires are Brand new and less than 1k miles size Front 245/35.19 Rear 275/30.19. The car is professional upgraded to 94 year model face lift the performance is made at the "Classic Car Center" body shop.

**Car History:** The original owner was classic car collector and ordered this car directly from Germany with a very special on board computer. All the DOT/EPA is done back in 1992 when imported.

**About the sale:** This is private sale! That means, Title/Pink slip is on hand and there are no sales tax involved what so ever!

**Shipping:** I can help to organize shipping upon request.
