This is one of only three SL700's ever made from Renntech with the 7 liter conversion making it ultra rare. I  
 It's got the full treatment from front bumper to bespoke tailpipes!  
 I have the original article on this very car. 2 owners in 25 years. 44,000 original documented miles and a clean  
 Carfax.  
 All factory services have been performed from A-Z within the last 12 months as well as a fresh service and  
 complete check-up at RennTech!

The V12 sounds incredible! 525 HP up from the factory 389, Suspension upgrades, RennTech/Brembo Brakes,  
 RennTech custom wheels, Full carbon fiber interior, Brand new headliner, New floor mats, Ultra clean seats. Over  
 75k invested in 1994. AC blows super cold. Tires have 70% tread left. Bluetooth/satellite radio head unit.  
 Needs nothing. Drives great and ready to go down to the fresh detail!  
 Looking for a nice home for this rare classic.
